## We are Back!

After a very difficult 2020 Wootton and Dry Sandford Community Centre are hoping, that with some of the restrictions lifted we will be able to hold the Craft and Produce Show later this year.

Full details to follow.

So, once again, we will be running the “Tallest Sunflower Competition” for all children under the age of 16 years.

As in previous years we will be happy to provide free seeds for all that want them and want to have a go at growing a Sunflower. Of course you can use your own seeds if you prefer to do this.

For a packet of free seeds please e mail [trish.ingham51@gmail.com](mailto:trish.ingham51@gmail.com). Please leave me the names and ages of the children and your address and I will get them to you either personally or by post.

To enter the competition just e mail me a picture of the sunflower with an indication of how tall it is. If you can send this to me before 15<sup>th</sup> September please (more reminders will come during the year)

There are prizes for the 3 winners and a certificate for all children who enter.

## WADS CC THANK YOU!

With the prospect of all Covid 19 regulations being lifted on June 21<sup>st</sup> the team at Wads CC are looking forward to welcoming the community back to enjoy the community centre's improved facilities.

The Multi Games Area (MUGA) has been totally transformed since we went into the first lockdown. The area has been cleared of weeds, and the surface repainted to include two basketball courts, a tennis court, and 5 a side football. A second set of basketball hoops is about to be installed and the floodlighting replaced. The windows are also about to be replaced in the main hall to allow better ventilation, and the new windows will be fitted with blackout blinds, which will be a great benefit for stage performances, and hopefully for future cinema nights. The play equipment in the children's play area has also been either replaced or repaired. Rooms within the centre including the foyer have been decorated, and the main kitchen has been retiled. A roofer has been called in to investigate the problem of the leaking roof during heavy rain storms, and this week work has begun to rectify the problem identified. All the drains and sewer pipes have also been jet washed to help prevent further blockages. We also have a new website [www.wadsc.co.uk](http://www.wadsc.co.uk) which can be used to check room availability, make bookings, and to keep up to dated with Wads CC events.

We have been able to achieve so much more than we originally planned during lock down because of the support we have received from Wootton Parish Council, Stevie Biltcliffe, Abingdon Eagles Basketball Club, Oxfordshire Basketball Association, Oxfordshire County Councillor Bob Johnston, and Vale of the White Horse District Councillor Val Shaw.

Our thanks go to Wootton Parish Council for grants received to replace the main hall windows, and to install blackout blinds. Wootton Parish Council also provided grants towards the cost of the play equipment repairs, the second set of basketball hoops, and the replacement of the floodlights. Oxfordshire Basketball Association contributed with a grant towards the refurbishment of the MUGA, as did Oxfordshire County Councillor Bob Johnston. District Councillor Val Shaw helped with two grants to provide extra litter picking around the community centre car park and recreation field during the summer and autumn of 2020.

Thanks also go to Stevie Biltcliffe and volunteers from the Abingdon Eagles Basketball Club who worked tirelessly to help transform the MUGA.

Thank you to you all!

Karen Fysh

## St Helen's Church Update

We hope to resume Sunday Services soon (location TBD). In the meantime we would draw your attention to the many online services each Sunday: particularly from St. Peter's Church, Wootton ([www.woottonchurch.co.uk](http://www.woottonchurch.co.uk)) and the Diocese of Oxford 'Church at Home' ([www.oxford.anglican.org/coronavirus-covid-19-2/livestream/](http://www.oxford.anglican.org/coronavirus-covid-19-2/livestream/))

### Appointment Process for new Vicar

We are excited to be in the process of finding a new vicar as a shared placement amongst St. Peter's Wootton, St. Mary Magdalene, Shippon and ourselves, St. Helen's, Dry Sandford. More info soon!

### Plant Sale - May

Mark the last two weekends in May for the annual St. Helen's Spring Plant Sale (COVID modified). This year we'll have designated locations around Dry Sandford with plants for sale over several weekends instead of one single day. Let us know if you'd like to pitch in and grow/sell plants (proceeds to St. Helen's Restoration Fund). [admin@sthelensdrysandford.org](mailto:admin@sthelensdrysandford.org). More info later.

### Easyfundraising - Support for St. Helen's

FREE donations to St. Helens by doing your regular online shopping! Join in whilst doing your regular online shopping AND raise funds for St. Helen's at NO extra cost to you: [www.easyfundraising.org.uk/causes/sthelensdrysandford](http://www.easyfundraising.org.uk/causes/sthelensdrysandford)

### Become a St. Helen's Guardian Angel

With the impact of the closure and added challenge of the pandemic, we cannot receive all the gifts that we usually would, so we really need your help now! For all those who make a regular, scheduled monthly online donation (of any amount), they will be acknowledged as one of our 'Guardian Angels'. Consider becoming a Guardian Angel by filling out the Generous Giving Form found on our website: [www.sthelensdrysandford.org](http://www.sthelensdrysandford.org)

Thank you for all your support!

### Farewell to Wootton

It's hard to believe that fifteen years have passed since I purchased Wootton Pharmacy from David Morgan, the time has certainly flown. Being part of Wootton's vibrant community has been extremely rewarding and enjoyable. I was very fortunate to be well supported by the community and have had excellent staff over the years. To everyone who contributed to the collection for my retirement, and to those who gave gifts, I would like to thank you for your generosity— though I am yet to decide what to buy. Selling the Pharmacy in the middle of the pandemic was not what I had intended, my apologies to anyone whom I was unable to say farewell to in person.

Yours,

An adopted Woottonian, Duncan

### ST PETER'S CHURCH SUPPORT GROUP

If anyone needs help with anything - collecting shopping, medicines, or just would like a chat on the phone if you feel lonely, please contact us at [woottonvicarage@btinternet.com](mailto:woottonvicarage@btinternet.com) or on 01865 735661 and we will arrange the appropriate support from known and trusted members of our congregation, all of whom are DBS checked. ## JUMBLE SALES EXTRA

Unfortunately there will not be any Jumble Sales

In the forcible future due to the Covid19 situation.

The vaccine is now here so our hopes are rising a little. When we start we will be raising funds for the charities that have been promised by us.

Our thoughts have been of you all and we would like to send everyone our best wishes and a belated Happy and Safe New Year.

## St Peter's Church Wootton Update

We are delighted to re-open the church for public worship from Sunday 28<sup>th</sup> March, Palm Sunday. This will mean that we will be also back in church for Holy Week and Easter. Do join us for our Family Communion service on Easter Day, Sunday 4<sup>th</sup> April, at 10.00 am. We continue to ensure that our church is a Covid-secure venue. Please wear a mask, use the hand sanitiser provided on entering and leaving the church and observe social distancing. Although it is only the choir allowed to sing we can hum behind our masks to the hymns.

We do hope that you have enjoyed our weekly on-line services whilst the church has been closed. As some members of our community find it difficult to attend church at 10.00 on a Sunday morning, we have decided to continue our online services on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of each month, which will be available on the church web site.

We are incredibly grateful to our small group of volunteers who meet between 10.00 and 12.00 every Tuesday to mow the grass and generally keep the church yard tidy. We are looking for more volunteers, however, and if anyone is free for a couple of hours on a Tuesday morning please pop along. You will be warmly welcomed. If you require any further information then please email us at [woottonvicarage@btinternet.com](mailto:woottonvicarage@btinternet.com) or by telephone on 01865 735661.

Stay safe, take care and we hope to see you again soon back in church.

With every blessing.

From All at St Peter's Church

ESTATE AGENTS

LETTING AGENTS

"I highly recommend Alistair Redhouse. I've bought and sold my property with these guys whilst also purchasing and selling with separate agents. They stand head and shoulders above the competition. They are extremely responsive throughout the whole process and know exactly what they are doing. Other agents valued my property lower than 'AR' and it was sold within a week."

★★★★★ - Google Review

"Thank you very much for the time and effort you put into the sale of our property. Your professionalism and approach to understanding the property you were selling, what our requirements were and what potential purchasers were looking for, goes way beyond what we have experienced in the past."

# BOSOM FRIENDS

Oxfordshire Breast Cancer Support Group

This time last year, nobody had any idea what 2020 would have in store for us. The coronavirus pandemic has meant that the last few months have been challenging and difficult for just about everyone.

Hearing the news that you have cancer is devastating; receiving such a diagnosis during these uncertain covid times can be even more frightening. As well as the obvious physical effects, such a diagnosis is emotionally overwhelming and ultimately life-changing; it's common to feel alone, fearful and anxious.

Breast cancer is the most common cancer in the UK, with one in eight women being diagnosed in their lifetime. Men can also be diagnosed with breast cancer. Each year around 12,000 people will die from the disease. Although survival rates have improved dramatically - with more people now surviving breast cancer than ever before - there is still a long way to go.

Bosom Friends is a small, Oxfordshire support group run entirely by volunteers and offers a listening ear as well as practical, confidential support to those who have been affected by breast cancer. The group was formed several years ago by two women who wanted to ensure that others in Oxfordshire would not feel the same isolation that they had experienced following their diagnosis.

Members of Bosom Friends would usually meet once a month, often in the home of one of the members with a chat, cuppa and cake. Although currently unable to hold normal group meetings due to coronavirus Bosom Friends continue to hold monthly meetings online via Zoom.

Whether you have just been diagnosed, are currently undergoing treatment or completed your active treatment a while ago, the group offers emotional support and practical, up-to-date information. Above all, we can offer an understanding voice at the end of the phone should you ever need it.

If you or someone you care about has been affected by breast cancer, please do take a look at the Bosom Friends website - [www.bosomfriends.org.uk](http://www.bosomfriends.org.uk); alternatively if you prefer, please call Jan in confidence on 01844 290362 for more information.

## Dear Editor

I should like to ask if you would consider including a short piece for the Wootton and Dry Sandford Community Newsletter in order to raise awareness of breast cancer and our support group.

A few years ago, in my mid-forties, I was diagnosed with breast cancer. I have found a local support group, *Bosom Friends*, to be very helpful. This small, Oxfordshire group is run entirely by volunteers and offers a listening ear as well as practical, confidential support. The group currently has *Bosom Friends'* members living in the area covered by your newsletter and **we are keen to make more local people who have been affected by breast cancer aware of the group's existence.**

Many thanks  
Dee

## Letter to the Editor

I wonder if I am alone in wishing for a speed limit of 20mph though Cothill?

Cothill plays host to 2 natural BBONT Visitor Sites ,a School, Pub and community.

During "lockdown" we have played host to many young families, joggers, cyclists and families out on bikes together.

Cothill leads on from 3 Junctions Gozzards Ford, Marcham, Wootton and only just at the beginning of Cothill are drivers requested to slow down to 30mph. There are 2 dangerous bends/blind corners that create their own challenges to drivers particularly delivery Vans, Food supplies and Fuel supplies

For the safety of those who visit this village and the community who live here, I would wish to request a 20mph sign with camera to ensure the safety of all

#### **Drones Policy**

Following an upsurge in usage of drones on publicly-owned recreation grounds and open spaces, the Council has resolved that the flying of drones on Council owned land, such as Sandleigh Rd Recreation Ground, for recreational or commercial purposes be prohibited.

Exceptions will only be considered where usage of a drone device helps reduce risk in the workplace, i.e. working at height, building survey work, etc. The use of drones by emergency services in connection with their work will, of course, be permitted.

Please apply to the Parish Clerk by email to [clerk@sthelenwithout-pc.co.uk](mailto:clerk@sthelenwithout-pc.co.uk)

## Oxfordshire Artweeks 2021 - Artists in and around Cumnor

With May comes the joy of Oxfordshire Artweeks!! This amazing festival offers you the opportunity to meet artists, to talk about their work and enjoy a fantastic range of Art.

This year, due to some pandemic restrictions still being in place during the Festival period, all venues have committed to be Covid-secure to make your visit both an enjoyable and safe one. With hand gel, ventilated spaces and masks a plenty, our artists are very much looking forward to sharing their work with you.

With safety in mind, most venues will be by appointment only, in line with government guidelines - so do book ahead to get your preferred spot!

We are so lucky to have several talented artists in the Cumnor and Botley area and they would love you to visit over the festival: to be inspired, entertained and delighted. You are welcome to browse, chat and perhaps you will buy a treasure to take home with you.

Entry to all these exhibitions is free.

You can find further details about each site listed here on [www.artweeks.org](http://www.artweeks.org) alongside information about the many other artists taking part in the festival.

For now, here is a little about each artist showing in our area. Do book a visit. It's the perfect way to slowly ease out of a long winter of lockdown.

**Amongst other fabulous artists is one from Wootton**

**Site number: 171 Amanda Benstead**

**Dates Open: 15 May - 23 May**

**Time: 11am - 6pm**

**Amanda** is a life-long maker and now a mature art student part way through a degree. She says she is a work in progress, sharing her work and product to date. Her exhibition, which is eclectic and fun, is an ongoing exploration of colour and texture, form and process.
